FUNDRAISING FOR HONEYCOMB

THANKS FOR JOINING OUR FUNDRAISING CHALLENGE!

Here are a few tips to fuel your campaign
(even though we already know you're absolutely going to crush it!):

SET A REALISTIC GOAL

If you haven't already, now is your chance to select a few fundraising goals that are both actionable and achievable. You want these fundraising goals to be the driving force behind yours or your team's campaign. You can always surpass your goal!

START WITH YOUR CLOSE CONTACTS

Within the first few days of your campaign, enter the emails of close family and friends who might want to follow your Fundraising journey. Our easy-to-use platform Rallybound will send them a few automated updates with a link to support your efforts. Every dollar you raise helps fuel Honeycomb's programs and gets you a step closer to your goals! Remember, your sports team, school clubs and co-workers are a great way to start.

MOVE ON TO SOCIAL MEDIA

Your story deserves to be shared. Once you've sent your first batch of emails out, it's time to turn to social media. One of the best strategies to use on Facebook, Instagram, and Twitter is tagging and thanking people that have already donated while you are asking for new donations. Be sure to use photos and videos to tell your story and don't forget to tag Honeycomb at #Honeycombchi and #FundraisingChallenge

TELL THEM WHY!

We've put together a few templates here to help fuel your campaign and keep your fans engaged. The most important thing you can add to this message is why you are stepping up to fundraise for Honeycomb. As more of your network gets behind you, keep thanking them on social media and make sure you continue to share your progress towards your goal. Let your family and friends know why giving back matters to YOU - that's what they care about most!

Fundraising often takes a little creativity and persistence, but your work is vital in making a positive change in our community and programs. Know that your effort will make a big difference!

A BIG THANK YOU FROM ALL OF US!
